

Invitation to Capsol Technologies' business and financial update for Q2 2026 on August 26, 2026

Oslo (Norway), August 19, 2026: Capsol Technologies ASA will present its Q2 2026 business and financial update on Wednesday, August 26, 2026, at 09:00 CET. The presentation will be hosted by CEO Wendy Lam and CFO Bjørn Kristian Røed. The session will be moderated by SVP Investment & Strategy Jacob Zeno Clausen Krøvel.

Presentation materials, alongside the half-yearly report, will be published at 07:00 CET the same day at <https://www.capsoltechnologies.com/investors>

The event will be webcast live, with a Q&A session. Questions can be submitted throughout the stream or sent in advance to: post@capsoltechnologies.com

About Capsol Technologies

Capsol Technologies ASA is a carbon capture technology provider with a goal of accelerating the transition to a net zero future. The technology combines inherent heat recovery and generation in a stand-alone unit based on a proven and safe solvent. Capsol's technology is licensed either directly to customers or through industrial partners globally. Key segments include cement, biomass, energy-from-waste and gas turbines. Capsol Technologies is listed on Euronext Oslo Børs (ticker: CAPSL).
